“Put the Life Back in Your Business”

The NSCA with the support of CCH Australia, invite you to hear world renowned health and lifestyle commentator Dr John Tickell discuss the importance of the “H” in OHS. Today, more than ever, we need to learn the art of juggling business, family and personal well-being.

In this presentation he outlines plans for channeling stress responses into winning ideas, and he provides a balanced view on the latest information related to how to live younger, live better and live longer.

Proudly supported by
